ABOUT ME

I am an enthusiastic and highly motivated Engineer with a strong foundation in computer science and a passion for solving complex and technical challenges. As an ambitious and perpetual learner, I eagerly embrace challenging tasks to continually enhance my skills. Eager to kick start my career in technical industry full of innovations.

WORK EXPERIENCE

IBM Coincent

(25 Nov - 25 Jan - '23)

Web Development Intern

- Developed fundamental skills in web development technologies including HTML, CSS, JavaScript, Node.js, and React.js.
- Gained practical experience in building interactive web applications.
- Enhanced problem-solving and coding abilities through hands-on learning and project completion.

PROJECTS

ParkEasy

(March - 2024)

Developed a web app to address parking challenges where you would think twice about going in your car.

- Technology Stack: Utilized a modern tech stack including HTML, CSS, Javascript, Node.js, React.js, and MongoDB.
- Enabled users to reserve parking spots in advance (if available).
- Integrated payment processing for seamless parking fee collection.

NAUGHT

(Sept - 2023)

Programmed a secure note-taking application with CRUD functionality (Create, Read, Update, Delete).

- Implemented secure data storage using PostgreSQL.
- Enabled a seamless user experience with search functionality and a customizable dark mode feature using React.js.
- Built a user-friendly interface with HTML, CSS, and JavaScript, ensuring a responsive design across devices.

SKILLS

Technical Skills - React JS • JavaScript • HTML • CSS • Java • Data Structures • Python • C++ • Git

Soft Skills - Communication • Patience • Teamwork • Disruptive thinking

EDUCATION

Chitkara University, Punjab 2021 - 2025(ongoing)

- Bachelor of Engineering
- Computer Science
- 8.89 CGPA

St. Thomas School, Yamuna Nagar (2019 - 2021)

- Intermediate
- Non-Medical
- 85.4%

CERTIFICATIONS

- [Internship Certification](#) from IBM and Coincent in Web Development.
- [Foundation of User Experience](#) (UX) Design (Google & Coursera).
- [Certificate of Excellence](#) in C++ (Coding Ninjas).
- Career Essentials in Business Analysis by Microsoft and LinkedIn (ongoing).
